From the desk of the Chairmen – Artists' Court

To all applicants for the 24th AWT, October 20 - 21, 2012

To all our great artists - it's that time again! We are finalizing the plans for the 24th AWT and looking forward to seeing all our old friends once again. Ann and I have "volunteered" to chair this committee and we really hope our island weather will grace us with a normal beautiful weekend - shorts, tank tops and more great music and fun.

Enclosed please find your application packet for the 24th AWT family festival. We will retain the same event layout this year that we introduced in 2011. We also have limited total "Booths" to 70. This number worked very well last year and the loop layout kept all of you within one block of fair center. We will maintain all commercial food, drink and children's games in the gravel area.

The selection committee will keep all our applicants informed and will work to ensure returns have their requested space. The deadline for AWT 2012 applications to be received is October 1st, 2012. We will NOT send mail confirmations on applications after the 13th. If you are unsure - please call!

We look forward to receiving your completed application and promise to provide you with the best AWT experience yet!
